

JOIN US! NOVEMBER 4TH AT THE URSULA JUDKINS VIEWPOINT PARK!

We need your input as we create a concept plan for the Ursula Judkins Viewpoint Park. Seattle Parks and Recreation (SPR) is reviving the public engagement process, gathering new conversations about the future park design intent, and identifying preferred views for the project. Join us from 1-3 p.m. to share your thoughts to help inform a concept plan that will include documentation of the viewpoints.
